

Chart 5 - The 2018-2019 new light . The 4th and last adventist waiting of the Jesus Christ return

Method of the calculation of the date of his glory return

The middle of the week

The most important moment of the God project is the Jesus-Christ crucifixion. The victory of Jesus gave him right to destroy the devil and the others celestial and terrestrial rebels, and to save his faithful redeemer saints. This jew calendar places the death of Jesus on Wednesday 03 of April 30. This new date is confirmed by the new calculation that makes start the 70 weeks of Dan.9:25 in - 458, and no - 457. This real « 7th year » of Ezra 7:7 of the King Artaxerxes reign that began in -465 places the death of Jesus in 30 in place of 31.

According to Dan.9:27, Jesus is dead « in the middle of the week » (paschal : litteral sense : Wednesday) and « the middle of the week » (70th: prophetic sense : one day for one year—Eze.4:5-6); the year 30, middle of the new dates 26 and 33). As Jonas (Matt.12:40), he is stain in tomb « 3 nights and 3 days », then he has resuscitated himself after the end of the second Shabbat of the paschal week, in the beggining (twilight) of the first day.

According to 2 Peter 3:8: « **For the Lord, one day is as a thousand year and a thousand year as a day** ».

2000 + 1000

Prophecy of the « three days » of the tomb: 2 days of real death = 2000 years of christian era. + Resurrection on the 3rd day = Resurrection of the redeemers on the beginning of the 3rd christian millenary (the 7th since Adam).

6000 + 1000

According to Gen.1 and 2, God created the earth and the heaven in 6 days + 1 day (the 7th day of the sanctified Shabbat)

So, the week of the creation was made according to a God project plan of seven thousand years (7000 years). In this plan, the 7th day prophesied the 7th millenium in which the elected of Jesus will entry for the celestial live in the heaven and new earth eternity (according Rev.20:4-5-6).

The first 6000 years are cuted in 3 thirds according the jew temple proportions: 2/3 for the holy place and 1/3 for the most holy place as shown under.

Since Adam to Jesus death there is 4000 years.

Since Jésus death, year 30, until his glory return, there is 2000 years : 30 + 2000.

So, Jesus will come back according to his revealed project in 2030 April 03.

The weekly Shabbat prophesied the rest that Jesus got for his redeemers by his victory.

So, the proof is shown that the Shabbat and the faith in Jesus Christ are not opposable but perfectly complementary.
